

Watch the Video Guide

1. Select "Alipay HK".

2. Scan this QR code with your "Alipay HK".

3. (1) A prepayment of **\$50** will be deducted.
(2) When the payment is completed, **the remaining balance** will be transferred back to your "Alipay HK" within 5 minutes.

4. When print is done, press "Finish" on the screen.

5. **Please take a picture of the transaction page** so that you can contact us in case there is a refund problem.

6. Check your refund amount in your "Alipay HK".
Important notes:
(1) **The printing service will stop working** when the balance is less than \$5.
(2) When your print job costs more than \$45, **please split your print job.**
