D. Disconnect to CUHK VPN ..................................................................................................................... 5

For enquiries, please contact ITSC

• Hotline: 3943 8845 (during office hours)
• Online Service Desk: http://servicedesk.itsc.cuhk.edu.hk

A. Get Started

Maximum Connection Time Per Session:

• 8 hours with 1-hour idle time out, you can make the connection again when the session expires.

Known Issue:

• You may experience an unstable VPN connection from mainland China with the gradual upgrade of China’s Great Firewall.
B. **Add a new VPN profile**

1. Open **Settings > General > VPN**

2. Tap **Add VPN Configuration...**

3. Tap **Type**.

   Select **L2TP** then **back** to Add Configuration.

4. Enter with
   - Description: **CUHK VPN**
   - Server: **vpn.cuhk.edu.hk**
   - Account: **Computing ID**
   - Secret: **ipsec-vpn**

   **Computing ID:**
s1155xxxxxx for students
bxxxxxxx for staff

   Click **Done** to complete the set-up.
C. Connect to CUHK VPN

1. Turn on VPN.

![VPN Status]

OR

2. Login with
   - *Computing ID
   - **CUHK OnePass

*Computing ID:
s1155xxxxxx for students
bxxxxxx for staff

Tap OK to establish the connection.

- For staff and students who enrolled DUO Two Factor Authentication (2FA), then
  input either one of the following forms of password (3A, 3B or 3C), follow the
  format exactly the same as shown:
- For others, the VPN connection should be established successfully.

3A. password (DUO Mobile App – Push)
DUO Notification will be prompt on your mobile.
Tap Login request

OR

Open the DUO Mobile App on your mobile device,
then tap on the notification message, a Login Request with the information of requesting source
is displayed.

Tap Approve, the VPN connection should be
established successfully.
Reminder: Duo Push is not available offline. Please ensure you got a good Internet connection when using this method. Or, you switch to log in with passcode which does not required an Internet connection.

3B. password, passcode (DUO Mobile App – Generate Codes)

You can get the passcode from your DUO Mobile App. Open the DUO Mobile App on your mobile device, then tap on the key icon next to your account, a one-time passcode is generated.

Login with

- *Computing ID
- CUHK OnePass, 767809

*Computing ID:
s115xxxxxxx for students
bxxxxxx for staff

Tap OK, the VPN connection should be established successfully.

3C. password, bypasscode (Use a temporary DUO Bypass Code)

In case you have problem with your mobile (e.g. forgot to bring, malfunction, lost or stolen) and cannot provide the 2nd factor for VPN connection, you can generate a temporary DUO Bypass Code by yourself via DUO Self-Service Portal at https://duo.itsc.cuhk.edu.hk.
Login with
- *Computing ID
- CUHK OnePass, 273635110

*Computing ID:
s1155xxxxx for students
bxxxxxx for staff

Tap OK, the VPN connection should be established successfully.

D. Disconnect to CUHK VPN
1. Open Settings menu. Turn off VPN.
