A. Detect Wi-Fi Signal of CUHK1x and connect to CUHK1x

1. Click at the top menu bar. You will see a list of available wireless networks.

Select CUHK1x.

2. The login window will be promoted. Enter your CUHK email address* for username and your OnePass (CWEM) password.

*Students: Student-ID@link.cuhk.edu.hk for students
E.g. 1155xxxxxx@link.cuhk.edu.hk

Staff: Staff-alias@cuhk.edu.hk for staff
E.g. chantaiman@cuhk.edu.hk
3. Check **Remember this network** so you can automatically connect to CUHK1x next time when a signal is detected.
